

## SMX Mark III: A full-featured diver's watch with a clean, modern design.

The new **SMX Mark III**. The new version of our classic best seller retains all the style and performance of the original. The improved, rounded design ensures even better shock resistance and pressure performance: now tested to 200M / 660FT, with the latest generation screw-crown and recessed mineral glass. At the heart of the new case is a highly accurate Swiss-made, quartz movement, with Ecomax low battery indicator system. The simple, clear dial and luminous hands make the time legible at a glance, day or night. A wide choice of bands allows you to configure this model for almost any purpose.

La **SMX Mark III**. La nouvelle version de notre best-seller classique conserve l'essentiel des caractéristiques et des performances du modèle initial. Son architecture très spécifique garantit une résistance accrue aux pressions et aux chocs: étanchéité à 200 mètres, couronne vissée, et glace montée en retrait. Au cœur du nouveau boîtier, il y a un mouvement à quartz de haute précision, de fabrication suisse, avec indicateur de fin de vie de la pile. Le cadran simple et les aiguilles lumineuses assurent une lisibilité parfaite de l'heure, de jour comme de nuit. Un choix de bracelets permet de changer l'allure de ce nouveau modèle, selon vos besoins.
